

FGV committed to achieve profitable and sustainable growth for its stakeholders

Felda Global Ventures Berhad (FGV) would like to reaffirm its commitment to its 5-year transformation plan for revenue enhancement, cost-optimisation and operational excellence.

In this process, FGV had made strategic decisions to yield the returns that it has projected.

FGV would like to emphasise its commitment to all shareholders and assure that continuous proactive engagement with shareholders and analysts will be taken to drive the organisation's singular focus on achieving efficiency and profitability.

FGV has always delivered value to its shareholders and will continue to do so irrespective of share price movements and changes in shareholders.
