FGV Contributes RM5 Million Towards Flood Relief Efforts

KUALA LUMPUR, 20 December – FGV Holdings Berhad (FGV) is contributing RM5 million to Tabung Bantuan Bencana Negara (TBBN) to assist victims of the floods which have been occurring in some parts of the country. The fund is under the supervision of National Disaster Management Agency (NADMA) under the Prime Minister's Office.

The donation was handed over by Dato' Dzulkifli Abd Wahab, Chairman of FGV to Datuk Armizan Mohd Ali, Minister in the Prime Minister's Department (Sabah, Sarawak Affairs & Special Functions) witnessed by Encik Mohd Khairi Abd Ghani, Director, Logistic Section of NADMA.

Dato' Dzulkifli said, "Our donation to NADMA is part of our relentless commitment to provide immediate supports when the communities need it most. The monsoon season now is in full swing and natural disasters especially floods could potentially happen. As a caring corporate citizen, we hope our contribution would help ease the burden of flood victims to rebuild their lives accordingly."

FGV has been supporting disaster relief efforts on the local fronts in the past years. These include providing aid during and post-disaster in the form of cash or food donation through the FGV Food Relief Bag (FGV FReB) which contains FGV's food products with the aim to provide temporary relief to the victims.
