FGV Lauds Sabah State Government's Decision to Allow Palm Oil Supply Chain in Six Districts to Resume Operations

KUALA LUMPUR, 11 APRIL 2020 – FGV Holdings Berhad (FGV) would like to thank the Chief Minister and the State Government of Sabah for permitting the palm oil supply chain in Tawau, Lahad Datu, Kinabatangan, Semporna, Kunak and Kalabakan to resume operations with specifics conditions.

FGV praised the much-deliberated decision by the State Government, which was made in time with the extended Movement Control Order (MCO). This decision is definitely a relief for the palm oil industry and its related supply chain businesses including the community in Felda Sahabat and Felda Umas.

FGV remains committed to adhering to all standard operating procedures and guidelines in all of its estates and mills and continues to working closely with all stakeholders, especially the State health department to ensure that the risks to the safety and health of all employees are minimised.
