Lahad Datu, 23 Jun 2020 – FGV Holdings Berhad (FGV), through its subsidiaries FGV Plantations (Malaysia) Sdn Bhd (FGVPM) and FGV Palm Industries Sdn. Bhd. (FGVPI), has come forward to assist frontliners in Sabah to curb the spread of the COVID-19 pandemic by distributing financial aid to several government agencies and the local community.

The priority of the contribution is for the purchase of personal protective equipment (PPE) for frontliners at Lahad Datu Hospital and the Lahad Datu Health Department. government agencies in Lahad Datu including the District Police Station, The Malaysia Civil Defence Force and the District Council.

Dato' Haris Fadzilah Hassan, Group Chief Executive Officer FGV said, "Even though FGV's operations in Wilayah Sahabat were slightly affected following the Movement Control Order (MCO), contributions were still being made to assist our frontliners in the spirit of corporate

social responsibility”

“In a challenging situation, we all have to work together and play a role in preventing the COVID-19 outbreak. This contribution is to show FGV Group’s appreciation and gratitude for the frontliners’ dedication and hard work in carrying out their work,” he said.

Apart from government agencies in Lahad Datu, several municipalities, district councils, police stations and selected mosques also received financial assistance for the purchase of PPE. These include Tawau Municipal Council, Kalabakan District Council, Kinabatangan District Council, Beluran District Council, Tongod District Council, Telupid District Council and Tungku Sub-District Office.

Frontliners at several police stations in Kalabakan, Kinabatangan, Beluran, Tongod, Telupid, Tawau, Tambisan, Desa Kencana, Cenderawasih dan Tungku also received the contribution.

Several mosques in Tambisan, Bandar Sahabat, Labian, Nipah River and Tegupi Laut are also listed as beneficiaries.

The Group also provided aid to 1,647 FELDA settlers in Felda Umas 01, Umas 02, Umas 03, Umas 04, Sahabat 01, Sahabat 02, Sahabat 03, Sahabat 04 and Sahabat 05.

FGV also provided daily basic supplies to 9,975 of its plantation and mill workers in Sabah covering the Sahabat, Kalabakan and Umas regions throughout the MCO period.

FGV remains committed to adhering to all standard operating procedures and guidelines in all of its estates and mills and continues to working closely with all stakeholders, especially the State health department to ensure that the risks to the safety and health of all employees are minimised.
